March Newsletter

Welcome to March families! We have an exciting month planned and look forward to welcoming Spring soon.

Please make sure your child is dressed appropriately to play outdoors as the weather gets warmer. Keep an eye out for messages from your child's teachers to see if they need diapers, wipes, clothes, etc.

We went through our Paths to Quality inspection on 2/22 and passed with a four star rating! We are proud to offer your children the highest quality early childhood education possible.

Preschool Room Updates

Blue Room – Room 6

Happy March from Room 6! We had so much fun passing out Valentines with our classmates, exploring and making our own money for Presidents Day, and dressing up for Dr. Seuss Week! The students learned about sharing and manners while passing out Valentines. We read But Why Can't I? During Presidents Day week to learn about following new rules. We explored the voting process to see which teacher should be president. Students also practiced recognizing president faces and simple concepts such as volume and counting.

We look forward to reading A Little Spot of Feelings: Emotion Detective during Emotions and Feelings Week to learn how emotions can affect our actions. We will be counting golden coins during St. Patrick's Day. We are excited for the students to explore the discovery table during gardening week where we will have real dirt with artificial flowers "growing" so they can plant flowers in the soil!

We are excited to welcome Mr. Austin for room 6 as a co-lead teacher with Mrs. Amanda. Mr. Austin brings experience and exciting new ideas to the classroom!
