June Newsletter

Happy June!

This month we begin splash days for the classroom! A few classes have already started their first splash day! We will be spending a lot of time outside during the summer months, so be sure to bring your children a change of summer clothes. You can also take your cool weather clothes home.

Even though the COVID restrictions have been lifted, cases are on the rise. If your child is experiencing cough, fever, vomiting, diarrhea, etc. please keep them at home until they have been symptom free for 24 hours. In addition to that, if your child experiences those symptoms at United Day Care Center, we will have to call to send them home. Thank you for your cooperation in this matter.

Our Topics for the Month:

May 31-June 3: Bugs and Insects

June 6-June 10: Camping

June 13-June 17: Father Figures

June 20-June 24: Summer

June 27-July 1: Five Senses

Infant/Toddler Room Updates

Room 1 – Continuity of Care

Hello everyone! We are excited to start splash days this month. This month we will also be exploring bugs, talking about the father figures in our lives, exploring our 5 senses, and so much more! We will be spending more time outside as the weather gets warm. Happy June, Room One!

Room 2 – One Year Olds

Hello families! Welcome to June! We will be enjoying our splash party days on Tuesdays and our stroller rides on Wednesdays. Please help us celebrate two friends who will be turning two this month. You can check out their pictures on the birthday board! We have some big activities planned for this month. For Camping week, we will be going on a hiking adventure around our classroom and playground. For Father Figure week, we are going to be learning more about our families and making family portraits. For summer week, we will be pretending we are at the beach making sand castles. For Five Senses, we will be doing different activities that go with the 5 senses. Ms. Hanna will be on maternity leave during June and July, we are so excited to see her family grow!

Room 4 – Continuity of Care

Here comes the sun! We are so excited to spend more time exploring the outdoors now that it is warmer! We are starting off the month of June learning about camping and investigating nature. Splash days are starting every Tuesday as well! Father's Day is coming up this month so our class will be talking about family, drawing family, drawing family portraits, and making cards for our father figures! A few other fun things we will be doing this month is learning about our five senses and making kites that we can fly outside!

Room 5 – Infants

Happy June Room 5 Family and Friends!

Summer is officially here! We are so excited to welcome in this month with splash days, stroller rides, and playground fun! This month, Room 5 will not only be soaking up some sun, but creating, growing, and moving to music! We're looking forward to making lots of sensory stimulating art and concurring new, challenging gross motor and fine motor movements! With new musical instruments and songs to sing from around the world, Room 5 friends will be spending play time exploring toys of their choice to international tunes. We're most excited about celebrating all those who embody the spirit of fatherhood through a fun craft and engaging with new books to celebrate Juneteenth!

Preschool Room Updates

Room 3 – 2.5/3 Year Olds

Hello families! Happy spring we are all excited for the warm weather. We will be sending home long sleeve clothing and asking for short sleeves and shorts. We will be starting splash party days, so please make sure your child has swimsuits and towels. We have fun and exciting activities planned for all the kids.

Room 6 – 3/4 Year Olds

Happy June! We had a lot of fun in May creating dinosaur fossils, turning our classroom into the zoo, and learning about tons of animals. This June we look forward to some awesome Thursday splash days, growing butterflies in our classroom, and celebrating Father's Day. Speaking of celebrations we want to wish a very happy birthday to both Bronx and Mr. Austin this month! We can't wait to share all our exciting summer explorations and discoveries with you!

Room 7 – 4/5 Year Olds

Room 7 has been enjoying the summer weather as much as possible, especially on Splash Party days! This month we are working hard on gifts for the male role models in our lives, so be on the lookout for those soon! We are also excited to learn about camping and the type of animals we would see in the forest. During June we will also explore our 5 senses with fun activities like taste tests! June also brings graduation! We have been practicing a special song! All of us in Room 7 are so excited to have been a part of these kids' preschool experience.

In June we celebrate Juneteenth!

Today Juneteenth commemorates African American freedom and emphasizes education and achievement. It is a day, a week, and in some areas a month marked with celebrations, guest speakers, picnics and family gatherings. It is a time for reflection and rejoicing. It is a time for assessment, self-improvement and for planning the future. Its growing popularity signifies a level of maturity and dignity in America long over due. In cities across the country, people of all races, nationalities and religions are joining hands to truthfully acknowledge a period in our history that shaped and continues to influence our society today. Sensitized to the conditions and experiences of others, only then can we make significant and lasting improvements in our society.
