## September Newsletter

In September, the Juvenile Products Manufacturers Association (JPMA) reminds people of the importance of Baby Safety. Several things the organization highlights on for Baby Safety Month are carseat safety, safe sleep, and locks and latches.

Their website has many useful tips on their website. You can find them at this link,  
[https://www.jpma.org/page/baby\\_safety\\_month#](https://www.jpma.org/page/baby_safety_month#)

September is also Better Breakfast Month. Eating breakfast has many health benefits. Eating breakfast in the morning helps guide us towards eating healthier meals regularly throughout the day.

We still have openings for ages 3-5 in preschool! Call the center at 765-282-1742 if you have a 3-5 year old and are interested in joining our center.

Don't forget, the center will be closed on Monday, September 5, 2022 for Labor Day.
