May Newsletter

May 5-9 is Teacher Appreciation Week! Please join us in celebrating our wonderful educators by wearing the designated colors for each day.

As the weather warms up more, remember that your children will be going outside daily. We will apply their sunscreen, but be certain that they are dressed for the weather. Please also be on the lookout for enrichment trip permission slips including stroller rides and walks around the neighborhood.

Room Updates

Room 1 – Continuity of Care

This month we will be learning about Cinco de Mayo, Mothers' Day, safari animals, forests, and ocean animals. Our favorite lesson last month was learning about spring. We had fun using spring stamps and stickers. Please keep an eye on your Brightwheel messages for important information and things your child might need. Please make sure your child also has weather appropriate clothing for extra clothes as the weather is getting warmer out.

Room 2 – One Year Olds

In May we will be talking about the women in your child's life that might influence them. We will also be talking about bugs, gardening, and Memorial Day. We will be spending time outside please make sure you child has weather appropriate clothing to wear.

Room 5 – Infants

Happy May! Happy first birthday to Kynlee this month. We are going to be learning about bugs, plants/flowers, Memorial Day, and Mothers' Day! We are excited to continue to watch our plants grow! We can't wait to see what the month of May brings us!

Room 4 – Continuity of Care

This month we are welcoming the warmer weather! We are exploring topics like Cinco De Mayo, Mothers/Families, transportation, and more. Please keep a lookout for a message with more info on splash days along with diapers, wipes, and clothes.

Let's get ready for an AMAZING May!

Room Updates

Room 3 – Preschool

April was quite eventful! We welcomed a new teacher and many new friends! We have implemented a “Family Fun” wall, please check it out! The first week in May is Teacher Appreciation week! Check out our dress up days.

Room 6 – Three Year Olds

Room 6 has had loads of fun the month of April! We’ve went on egg hunts, celebrated Mother Earth, and discovered the sound of music. We look forward to celebrating Mother’s Day this May and learning about different dinosaurs, and taking time to appreciate our favorite forms of art. As always we cannot wait to share our explorations with you!

Room 7 – 4/5 Year Olds

April brought lots of showers and we had so much fun learning about spring and playing in the puddles! May also brings lots of fun things for us to learn. We will be learning about and creating our own different types of art as well as creating something special for the ladies in our life that we love! We will also be having fun with dinosaurs and farm animals. We are looking forward to all we are going to learn together!
