## September News

Happy September, families! We are ready to welcome the Fall season and celebrate with a variety of activities. Each room has unique lessons planned for the month and you won't want to miss them!

As a reminder, splash parties will end after Labor Day and your child will need weather appropriate clothes as the seasons change.

In the next few months, you may see some exciting changes happening to our building. We are looking forward to updating the floors, paint, and much more. We will continue to update families and provide the same quality care through the updates!

### Reminders for September:

- Please keep us updated if your child is going to be absent due to illness, vacation, etc.
- Ensure your child has an extra change of clothes at the center.
- Get connected on the Class Dojo app for parent-teacher communication.
